

## Chris McCormick, Member-At-Large (She, Her)

Growing up in the Pacific Northwest, Chris has moved around the world over the past 30 years as a veteran and spouse to a military retiree. She is the proud parent of two transgender young adults and came to LGBTQ+ advocacy work in support of them. Chris also serves on the board for FCPS Pride as an ally for LGBTQ+ students, and is honored to be a part of such important work. She is grateful for the opportunity to continue learning and supporting fellow parents. Chris enjoys reading, scary movies, kayaking, and adaptive hiking.
